

Output:

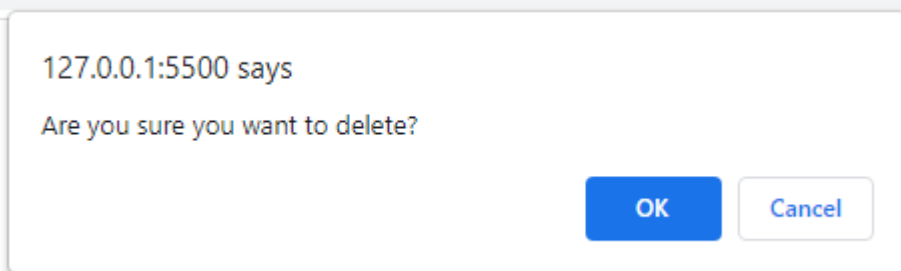

The screenshot shows the developer console of a web browser. The 'Console' tab is selected, displaying two messages. The first message is 'Hello Devendra Kumar Thakur, your total marks is 100' with a file path 'Lab1.html:13'. The second message is 'Live reload enabled.' with a file path 'Lab1.html:43'. The console interface includes tabs for Elements, Console, Sources, and Network, along with various icons for filtering and settings.

Hello Devendra Kumar Thakur, your total marks is 100	Lab1.html:13
Live reload enabled.	Lab1.html:43
